ABOUT BIG BASH SPORTS LEAGUE

Founded with a clear vision, Big Bash Sports aims to empower individuals and provide moments of liberation as they discover their true selves. Originally designed as a women's sport, Throwball offered a precious respite from household and personal responsibilities, allowing participants to play and be free for a few hours. Unfortunately, the Covid-19 pandemic forced us into confinement, disrupting our lives. However, the resilient Big Bash community came together during these challenging times, ensuring that the spirit of sports endured.

Our commitment to igniting inspiration and promoting sports remains unwavering, despite the pandemic's limitations. Through engaging online games, interactive experiences, and meticulously organized warm-up tournaments that prioritize safety, we strive to foster unity and resilience within the sports community. Together, we will emerge stronger and more determined, embracing the freedom and joy that sports bring to our lives.

Amidst the challenges posed by the pandemic, we are dedicated to fostering unity and resilience in the sports community. Our engaging online games, interactive activities, and carefully organized warm-up tournaments prioritize safety while igniting inspiration and encouraging people to embrace sports. Despite limitations, we remain committed to the pursuit of freedom and joy that sports bring, emerging stronger and more determined than ever.
